Holidays Observed by WR[†]

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

[†] If the holiday falls on a weekday, collection is delayed by one business day. Visit wasteresources.com/holidays for updated information.

**2026 BLOCK
CLEAN UP EVENTS**

**Mar. 28 Sep. 19
Jun. 27 Nov. 14**

All events are on Saturdays

Household Hazardous Waste, Batteries, Universal Waste, and Electronic Waste

Household Hazardous Waste (HHW) and Universal Waste (UW) cannot be disposed of with household trash or recycling, down the drain, or by abandonment. HHW and UW **must** be disposed through the County's HHW program.

Visit 888cleanla.com for more information and for upcoming one-day collection events, including events in **Signal Hill** (two Saturdays per month).

E-waste can be recycled through the **bulky item collection** program or the County HHW collection program. Call WR to schedule a pickup.

Universal Waste

- ◆ Batteries (all types) ◆ Thermostats
- ◆ Fluorescent light tubes and bulbs
- ◆ LED light bulbs

E-Waste

- ◆ Televisions ◆ Computers ◆ Monitors
- ◆ Copiers ◆ VCRs ◆ DVD and Blu-Ray players
- ◆ Cell phones ◆ Microwaves
- ◆ Anything else with a circuit board

Common Household Toxics

In the house:

- ◆ Bleach-based cleaners ◆ Polishes
- ◆ Medications ◆ Nail polish & remover
- ◆ Oven Cleaners ◆ Aerosol sprays

In the yard:

- ◆ Pesticides ◆ Weed killers
- ◆ Fungicides ◆ Pool chemicals

In the garage:

- ◆ Antifreeze ◆ Waxes & polishes
- ◆ Oil & oil filters ◆ Engine cleaners
- ◆ Gasoline ◆ Brake fluid

In the workshop:

- ◆ Paint, all kinds ◆ Glues & adhesives
- ◆ Paint thinners ◆ Wood preservatives
- ◆ Solvents ◆ Photo chemicals ◆ Wood finishes

Sharps Recycling Kit

Three easy steps to conveniently and responsibly dispose of needles, lancets, and other sharps:

Step 1: Call WR to request a free Sharps Kit (container, pre-paid postage label, and form), which will be delivered to your home the following week.

Step 2: Fill the container with Sharps.

Step 3: Sign the form included in the side pocket of the kit and mail the container by using the pre-paid postage label provided.

Residents can receive four (4) free **Sharps Mail-Back Kits** per year. Limit one (1) kit at a time. Additional available for a fee.

Bulky Household Item Collection and Bin Service

Bulky items are any household items that do not fit in a residential cart but can be lifted by two people. Examples include furniture, water heaters, appliances, mattresses, e-waste, and bulky yard waste. ***Until further notice, all mattresses must be bagged and sealed before being set out for collection. Mattresses with bed bugs will not be collected. Loose trash will not be picked up.***

Items **not allowed** for bulky item collection include automobile bodies and parts, spas, gazebos, wood, construction waste, hazardous waste, or items that may not be safely handled and lifted by two persons.

To schedule a pick-up, call WR at 888-467-7600 up to seven (7) days in advance of your regular service day, by noon the day before (i.e., noon Tuesday for Wednesday pickup). You will need to describe the items that will be left on the curb for pickup.

Residential and multi-family customers are eligible for five (5) **free** pickups per calendar year, with a limit of six (6) items per collection. More than five collection services per year or six items per collection will be subject to a surcharge.

If you need a commercial-size bin for large cleanup projects, WR is the **ONLY** company permitted to supply large bins for residential use in Hawaiian Gardens. Call us for a rental bin (one-time use) or roll-off box.

Service Notes

- Place all carts curbside by **7:00 a.m.** on your regularly scheduled service day and **promptly remove carts** after service.
- Lid opening should face **toward the street** and carts placed **side by side** at least two feet (2') apart and three feet (3') from parked vehicles or objects.
- Lids should be **closed** and carts should not be **overfilled**. **This may cause spillage. The recovery of spilled items will be the responsibility of the resident.** For additional containers or service, please call our office or email us at hawgardens@wasteresources.com.
- If your cart is unserviceable, your driver will leave a **warning notice** with a corrective action for the following week's collection.
- Additional **recycling** and the first **organics** cart are available for **free**. There is a fee for additional **trash** and **organics** carts.
- WR will tag carts that have too much unpermitted material in them.
- All **trash/recyclables/organics** must be in containers. Any trash outside of containers will not be collected - contact our office for an extra pickup.
- For safety reasons, WR drivers must remain inside their vehicles at all times.
- All containers must be accessible for service by the collection vehicles. Do not place your containers close to cars or structures.

Mixed Organics (Green Lid)

Keep it Loose

- Grass, leaves, and flowers
- Small branches less than three (3) inches thick and four (4) feet long.
- Untreated, clean wood scraps

NOTE: Larger branches will require a bulky item pickup. Call us to schedule.

Bag It (Clear Bags Only)

- Food scraps (including meat and dairy) and leftovers
- Coffee grounds and filters, tea bags, loose leaf tea
- Paper napkins and towels
- Soiled/greasy paper and boxes
- Biodegradable paper plates and bowls

No bag, no problem! Use produce or bread bags. These won't be recycled or composted, but are used to make it easy for you to recycle your food scraps and food-soiled paper.

Scan this QR Code to visit our SB 1383 page and for detailed lists of what goes where

Containers are randomly checked throughout the year to see how well people are following the “what goes where” rules set by the state. Compliance is MANDATORY and contamination fees may apply for accounts that do not comply. To read more about the statewide changes to how organic waste will be handled and why these changes are necessary, visit calrecycle.ca.gov/organics/slcp. Be a good steward for the environment by recycling the right way!
