

# CHANGES TO CARSON TRASH RATES

## CARSON RESIDENTIAL

### When do the new rates go in to effect?

July 1, 2022

### Why are my trash rates increasing?

Waste Resources is seeking a rate increase to offset cost of living increases.

### When do trash rates increase?

The trash rates will increase annually according to the consumer price index.

### How will I be billed?

Standard service will continue to be billed through your annual property tax.

### Will my pickup days change?

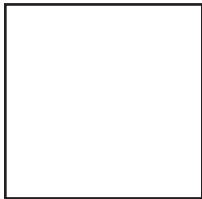

Pick up days will remain the same. Should there be a change, you will be notified by Waste Resources.

### What is the new rate for residents?

See tables at the bottom and on the back of this page.
